Re: Vaccinations and Coggins Test Requirements

Reminder that HISA Rule 2143 Requires **ALL** horses, including **Pony Horses**, to be vaccinated and have a current negative Coggins test. Please make sure your horses are up to date on all of the requirements. These are requirements to be on the grounds and to **enter to race** a horse.

Requirement	Frequency
Coggins Test	Once Every 365 days
Encephalitides – Eastern Equine Encephalitis, Western Equine Encephalitis, West Nile Virus	Once every 365 days
Rabies	Once every 365 days
Tetanus	Once Every 365 days
***Equine Influenza Virus	Once every 180 days
***Equine Herpes Virus (Rhinopneumonitis)	Once every 180 days

Thank you,

Dawn Folker-Calderon DVM
Chief State Veterinarian
Illinois Racing Board
